

POLYNEON 40 green

SATISFY YOUR CUSTOMER DEMANDS FOR SUSTAINABLE MATERIALS

Madeira Polyneon Green is a premium, high-shine embroidery thread that gives you the same beautiful designs and consistent stitch quality you've come to expect from Madeira while reducing the impact on the environment.

- Save valuable time at the machine by keeping the same needle size and using the same tension as standard Polyneon #40
- Stitch with confidence! Polyneon Green retains the same bleaching and commercial laundering resistance as standard Polyneon #40

Item# 718-(Colors)
5500 yard Cone
108 Solid Colors

Madeira Polyneon Green is made from 100% post-consumer waste PET plastic bottles using an energy-saving production process. Find more information on Polyneon Green #40 and place your order by visiting madeirusa.com today.
