MADEIRA reflect

Be seen with Reflect, the truly reflective embroidery thread by Madeira. Made of polyamide and glass beads for high visibility in the dark, Madeira Reflect will make everything it's stitched on a brilliant beacon in any low light situation.

- Superior durability with Reflect's strong polyester core
- Runs on standard needle sizes of 75/11 or 80/12; no need to change needles
- Easy to apply to designs and logos digitized for 35 or 40 weight thread
- Illuminate and add sparkle to items like backpacks, athletic wear, vests, jackets, hats, gloves, gym bags and more

Madeira Reflect is not safety-rated
